

First circular

1st International Symposium on Physics of Data Storage" (ISPDS-1)

17-19th, December 2015

Dear Colleagues;

On behalf of the Organizing Committee, we are pleased to invite you to participate to the "1st International Symposium on Physics of Data Storage" (ISPDS-1) which will be held on 17-19th, December 2015, at University of Picardie Jules Verne (UPJV) in Amiens, one hour from Paris by train.

ISPDS-1 intends to be a global forum for researchers and engineers to present and discuss scientific results, recent innovations and new techniques in data storage devices and related materials (magnets, multiferroics, nanomaterials, ...).

Outstanding scientists have already confirmed their invited conference at that meeting.

We invite you to submit your work, for presentations as poster, invited talk, or oral communication.

The number of participants will be limited to 150 persons. The registration fee is 350 Euros (250 Euros for PhD students).

Extra-fee lowering is applied before 30th September 2015.

Please, see the website for details and important **deadlines on:**

<https://www.u-picardie.fr/ispds1/index.html>

We are looking forward to meet you in ISPDS-1

Sincerely,

Dr. Gagou Yaovi, chairman of ISPDS-1

The Symposium email address: ispds1.amiens@u-picardie.fr
